Being a foremost organization in the industry, we Rushabh Fastners from 2005 are actively engaged in manufacturing, wholesaling, trading and importing of an extensive array of ASTM and SS Fasteners. Our offered range has ASTM Fasteners, High Tensile Fasteners, and SS Fasteners. These products are designed from supreme grade raw material and latest technology in observance with quality standards under the guidance of a skilled team of professionals to ensure superior durability and tremendous efficiency. Together with this, our products are appreciated for their features like easy to use, fine finishing, sturdy construction, less maintenance, and longer service life.

We are the client centric organization and work to please them with our ASTM and SS fasteners. Apart from this, we have a separate manufacturing department where the ASTM and SS fasteners are designed by a crew of experienced professionals, carefully. Also, our trading brand is RF and importing country is China.

Our mentor Mr. Pratik Doshi has guided us to be able to reach such heights. He is very creative and introduces our employees with innovative ideas for the different operation of the company.
