About us

Nagendra Trading Company is a trusted manufacturer and supplier of 341 Stemless Dry Red Chilli, Teja Stem Dry Red Chilli, Teja Stemless Dry Red Chilli, Wonder Stemless Dry Red Chilli, Wonder Stem Dry Red Chilli, Red Chilli Powder, etc. We have been offering pure and natural Dry Red Chilli to ensure to add amazing taste and color to the cuisines. We cultivate these Dry Red Chillies in fertile land using high-quality manure and other materials without any chemicals and toxic materials. These Dry Red Chillies are sure to provide lip-smacking and hot taste to the curries with high level of purity and quality.

Mr. Nagender Billa is the Co-Owner of Nagendra Trading Company. He incepted the company at Warangal (Telangana, India) in the year 2010 to provide fresh and pure Dry Red Chilli to the market.

Our Infrastructure

With modern infrastructural set up, we provide natural and fresh Dry Red Chilli. The unit is divided into different units such as processing unit, procurement unit, R&D unit, quality testing unit, packaging, warehousing, etc. The unit has modern machines and tools to ensure proper cleaning, quality-testing and packaging of chillies.

Why Us?

With vast skills and in-depth industrial experience, we have been providing high quality Dry Red Chilli. We have become a trusted organization due to the following reasons:

- Sophisticated infrastructural facility
- On-time delivery
- High-quality packaging materials
- Fresh and pure Dry Red Chilli
- Experienced team of professionals
- Strict quality testing using modern machines
- Honesty and integrity in business
- Client-centric approaches
- Affordable pricing structure
