ABOUT US

Hindustan Scientific Linkers is based in Cuttack, Odisha and it was incepted in the year 1999. We take pride in mentioning that we are one of the well-renowned organizations engaged in supplying the finest quality Laboratory Equipment.

Our Warehouses :

We are able to timely offer quality products to our clients due to the fact that we have maintained well-managed warehouses. The flow of product is arranged in such a manner that saves on time and money without compromising on quality.

Our Vendors :

We make sure that that we are dealing with only those vendors, who have gained a reputed position in the market for offering the finest quality products. Moreover, we have a team of quality controllers who keep a check on the quality of acquired products so as to bring the best to the clients.

Quality Policy :

Catering to the specific requirements of our clients is our utmost priority. In addition to this, maintaining the quality standards is important to our team. We have designed stringent quality standards for our products and we always stick to those for better productivity.
