

Company Profile

ABOUT US

Director

Mr. Ravindra Rothe

We're manufacturer of Industrial Automation ,which are designed and manufactured on the basis of latest technology, Tested ,Validated ,Reliable and Efficient. This brings vertical start-up, which in turn reduces the time from investment to invoice & maximizes values for customer in the form of Profitability, Increase in productivity, Reduces maintenance & servicing cost .

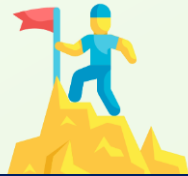

We have successfully designed, manufactured, installed and commissioned 40+ projects which includes 100+ machines. A conveyor line up to 400 meter in a single project has been successfully installed and commissioned.

Rothe stands for creative innovation, driven by the search for excellence, the focus to achieve goals and challenges set by customers. We take pride in putting customer first as they are what keeps our company going. We endeavour to strengthen the long lasting relationships in confidentiality with customers
