Uni-Tech International proudly presents itself as an ISO 9001-2015 certified company from Pune (Maharashtra) that in the global trade of different kinds of rubber products and agro products. We serve as the foremost exporter, importer, and supplier of premium O-Ring, Seals, Gaskets, Grommets, Mountings, R-Washers, Rubber to Metal Bonded Components, Silent Block Bush, and Customized Molded Parts, Indian Pulses, Indian Rice, Yellow Maize, Wheat Seeds and White Chickpeas for over a decade now. We make use of a variety of materials like NR, NBR, HNBR, SBR, EPDM, Neoprene (CR), Poly Acrylate (ACM), Silicon, and Viton to manufacture these products as per customers' drawings and specifications. Our products are used in a wide range of applications, and we are capable of supply the same in bulk quantities and in client-specified packaging materials. Our quality auditors make sure that we deliver only the genuine products to the customers.

Uni-Tech International came into being 15 years ago, when an enterprising and veteran of rubber products i.e. M.Y. Siddiqui laid company's foundation stone at Pune (Maharashtra, India). Over a span of a decade, the company has grown by leaps and bounds, and secured a long list of satisfied clients across global boundaries.

Quality

To meet the customer requirements, we religiously follow well-defined standard for products' quality and customer specifications. We have designed control plans to measure & monitor our process at all stages of manufacturing i.e. from materials procurement stage to the final dispatch of ready stocks.

Inspection

We are also providing third party inspection agencies as like SGS, NABL approved lab.
