Ownership

Sree Rajkondal Export Enterprises does not own all the stocks displayed. However stocks are usually covered by partial payment or otherwise.

Prices

Prices quoted are factory's offers and most are negotiable as these are just the factory's asking prices. Since Sree Rajkondal Export Enterprise does not own these stocklots always, it is best for you to offer a price or give your best bid. Remember that all these prices quoted are F.O.B. (Freight On Board) therefore; freight and other charges are not included in the quoted price.

Payment terms

All transactions are either through an Irrevocable Letter of Credit or by cash via Telegraphic Transfer to the account of Sree Rajkondal Export Enterprises prior to shipment. However after a couple of dealings, more flexible payment options can be considered

Minimum Quantities

All the quantities declared here are information given by the factory, however quantities could vary after our quality control. (This also depends on the level of quality acceptable by the buyer). Most items shown here are priced on a 'take all' basis. However you are welcome to offer the quantity you would be interested in.

Our Quality Guarantee

Sree Rajkondal Export Enterprises guarantees that these garment stocklots are quality controlled before shipment and we will accept all genuine claims of quality with refund / replacement.

Facilities Available

We have inhouse facility to change labels, add accessories like hangers, price tickets, etc. We can also print the garments if necessary and/or phase out brand-names both at the label level as well as embroidery / print level. All this will be done in a clean and professional manner.

Except on special transactions and deals, the information stated here is the normal procedure in all of Sree Rajkondal Export Enterprises transactions for stocklot trading. For more information and inquiries, kindly e-mail deals@isldeals.com
