Asava Arishta

Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler

Our company is a credible Manufacturer, Exporter and Supplier of Asava Arishta from Uttar Pradesh, India. Asava Arishta is a medicinal preparation made by soaking the drugs, either in powder form or in the form of decoction (kasaya), in a solution of sugar or jaggery. The mixture undergoes a process of fermentation generating alcohol, thus facilitating the extraction of the active principles contained in the drugs. The alcohol obtained also serves as a preservative.

Bhasma and Pishti

Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler

bhasmas & pishti are basically the incinerated/calcined products of the different metals and their use in curing different ailments dates back to 2nd century in samhita period. But with the formal introduction of the rasa sastra by the siddha acharyas like nagarjun and its further elaboration by rasa vagbhata in 8th century it became the mainstay of the clinical practice of ayurvedic physicians.

Precious Bhasma

Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler

In Indian pharmacopeia the precious Ratnas i.e. precious stones, Moti are supposed to be capable of binding with mercury. As therapeutic agents they are supposed to stabilize the body and delay the ageing process in addition to curing a number of somatic and psychic diseases.

Kupipakva Rasayana

Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler

Kupipakva Rasayana was introduced in Ayurvedic therapeutics way back in thirteenth century. a Kupia stands for fire-proof bottles, a Pakvaa stands for prepared by using fire, a Rasaa stands for mercury & a Ayanaa stands for abode. So Kupipakva Rasayanas are in fact the special therapeutic preparations made by amalgamating different organic, inorganic, metallic or non-metallic substances with detoxified and purified mercury in specially designed fireproof bottles and special type of the furnaces called a balukayantraa.

Kharaliya Rasayan and Gutika

Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler

kharliya rasayanas form is the largest group of herbo-mineral ayurvedic therapeutic agents. Most of them have the kajja prepared by triturating mercury and sulphur together in a crucible by mortar. Being exclusively prepared in crucibles they have been called kharliya. These drugs are prepared by blending mercury and sulphur together by impregnating the mixture with a particular decoction or the fresh juice of the herbal drugs and then blending a number of incinerated / calcined organic and inorganic

swarn yog

Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler

Gold preparations or Swarn Yog are the precious Ayurvedic therapeutic agents which have the gold as one of their contents. Gold is being used both in its natural form and in form of Bhasma i.e. incinerated form as per need.

PRODUCTS

Guggul Yog

Business Type : Supplier

guggul yog is a sanskrit word which literally means one that protects from the diseases. It is in fact an oleoresin which is secreted from plant *Commiphora mukul* under the influence of the sunrays in summers and then solidifies in winters which is then harvested for various purposes. It itself exhibits anti-inflammatory, analgesic, anti-microbial, anti-dyslipidemic, anti-atherosclerotic, hematopoietic properties. When administered internally it is known to exhibit carminative, appetizing, diaphoretic, aphrodisiac and emmenagogue properties.

Lauh and Mandur

Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler

Lauh & Mandur are the classical Indian herbo-mineral products that have Lauh Bhasma (incinerated iron) or Mandur Bhasma (Incinerated iron oxide) as one of their prime ingredients. They are considered to be rejuvenators of the rakta dhatu (Blood) which itself is considered to be one of the seven essential factors that behold the very existence of the body and is said to be one of the ten abodes of the life mentioned in Ayurvedic classics. |
