

GLOBAL NON WOVEN FABRIC PRIVATE LIMITED

we at Global Non Woven Fabric are a fast growing company in the arena of textile industry for exporting and supplying a vast collection of premium grade Non-Woven products that are exceptionally well received in various industries across the globe.

ABOUT US

Situated in Bhavnagar (Gujarat, India), we at Global Non Woven Fabric are a fast growing company in the arena of textile industry for exporting and supplying a vast collection of premium grade Non-Woven products that are exceptionally well received in various industries across the globe. Our expertise lies in delivering a variety of Plain Non Woven Fabric, Printed Non Woven Fabric, Non Woven Niwar, Textile Yarn, Paper Yarn Cones, Plastic Yarn Cones in different colour, prints, shapes, size and specifications.

Under the able mentorship of our Founder Mr. Khodabhai Bagubhai Navadiya, we are consistently forming a strong network in the global market by managing our products and services efficiently.

Operating from 2012, the products offered by us are manufactured in an advanced facility that is configured with equally sophisticated machines and equipment for carving an outstanding quality level in a cost effective manner. We have close knit association with some reputed vendors who besides having an ultra-edge infrastructure are also in a strong position to provide bulk and customizable orders without hampering the cost.

With their domain expertise in leading products that abide by the standards of the industry and our experienced quality controllers, we ensure that our products will meet the diverse requirement of our customers in every way. From procurement, packaging till supply, we follow the set guidelines that allows us to give strong packaging, quality tested products, timely and transparent delivery services with all the information.

Our prime concern is to achieve the maximum level of customer satisfaction by bringing only reasonably priced products and ethically grounded policies all around the world. We also work with a set of experienced professionals who are diligently engaged in the whole process and constantly come up with innovative strategies to serve our clients with utmost perfection.
