AMINU INDUSTRIAL
SOLUTIONS

AMINU INDUSTRIAL TRADING CO. Introduction:

Established in 2014, **AMINU INDUSTRIAL TRADING CO.** Company specializing in smarter plumbing and drainage solutions.

Our Brand: ANY BRAND AS PER REQUARMENTS

Products:

- UPVC Pipes and Fittings for water distribution systems
- CPVC Pipes and Fittings for hot and cold water systems
- Polyethylene Pipes for industrial liquid handling
- PVC Hose Pipes for various applications
- Solvent Cement for secure joints

Key Features:

- Made from unplasticized polyvinyl chloride (UPVC) and chlorinated polyvinyl chloride (CPVC)
- Withstand higher temperatures than standard PVC
- Flexible and durable
- Suitable for residential, commercial, and industrial use

Applications:

- Water distribution systems
- Hot and cold water systems
- Industrial liquid handling
- Irrigation systems.
