

# Astha Traders

**ASTHA TRADERS** is a leading exporter-supplier serving the industry of organic products in West Bengal. At us, you can place orders for buying a wide range of feed pellets and floating fish feed. Moreover, we also provide groundnut oilcakes, mustard oilcakes, rice braun, and soya oilcakes. All products that we supply and export are manufactured by leading companies in India. They use the premium quality raw material acquired from licensed purveyors in the market. Our teams conduct a stringent examination of all products before they're supplied or exported. Owing to an appropriate packaging, we assert that all clients will receive the ordered product in a fresh state.

Astha Traders (GST number- 19BWSPM5239C1Z5) is the property of Mr. Uttam Maiti. Serving as the CEO, he laid the cornerstone of the firm in the year 2013. We are headquartered in Bardhaman (West Bengal) and aided by full-fledged teams of dexterous employees. They are bifurcated into different teams for resolving queries of clients that approach us & place their orders.

### **THE STORAGE**

We own a commodious storehouse for storing feed pellets and floating fish feed, groundnut oilcakes, mustard oilcakes, rice braun, and soya oilcakes. Equipped with appropriate ventilation and rodent-proof wire mesh cabinets, the storehouse has different sections for the storage of our aforementioned products.

### **OUR CLIENTELE**

Owing to our vast industry experience, we have been successful in not only carving a clientele in India but overseas as well. Moreover, our teams focus on building long-term relations with the clients as well. It has been advocating for us to be a pocket-friendly supplier-exporter of organic products.

### **WHY CHOOSE US?**

Choosing us is a golden deal because:

- We have industry expertise
- We deliver products on time
- Pocket-friendly rates
- Proficient workforce
- Unblemished product quality
