# About Us

HKS INDUSTRIES is a well-known name in the market. We manufacture and supply a wide range of products like Harmony AAC Blocks, Harmony Block Bonding Adhesive, Harmony Ready Mix Plaster. These products are manufactured using high-quality raw materials that are procured from trusted vendors only. After production, the quality of our products is checked on several parameters by our quality experts... We make sure that the clients are left with no complaints from our services and products.

Situated in Kolhapur (Maharashtra, India), HKS Industries is widely appreciated for the quality of its products and services. All the tasks are executed according to the set industrial standards. Established in 2016, our firm has rapidly made a strong impact on the Indian market.

## Vision

Our vision is to be the BEST- Best Cost, Environment friendly, Superior Quality and Timely Service.

## Mission

"We aim at becoming a quality and affordable manufacturer of Autoclaved Aerated Blocks in Southern India, and stay committed to offering an excellent customer service and delivering high quality and cost effective products to our esteemed customers. We continuously strive for creating a sustainable green environment."

## Factory & Infrastructure

We have a production unit of 3700 square meters that is equipped with semi-automatic machinery and IBR boiler. The factory produces AAC blocks at a rate of 50 cubic meters per day. The list of raw materials that we use for production consists of cement, fly ash, stone aggregates, lime powder, and color oxides.
