ABOUT Us

Shri Krishna Metal Products, established in 2011 and headquartered in Jamnagar, Gujarat, is a distinguished manufacturer and supplier of high-quality metal products. Under the proficient management of Mr. Hitesh Hedav, the company has earned a reputation for excellence and reliability in the industry.

Specializing in brass and stainless steel products, Shri Krishna Metal Products offers a diverse range of top-notch items tailored to meet the needs of various sectors. The company's product portfolio includes Round Brass Pipes, Brass Inserts, Precision Brass Components, and Brass Extruded Drawn Rods. These products are manufactured with precision engineering and superior craftsmanship, ensuring durability, reliability, and high performance. Whether for industrial, commercial, or residential applications, Shri Krishna Metal Products provides solutions that meet the highest standards of quality and excellence.

In addition to brass products, the company also offers Stainless Steel Spider Glass Fittings, catering to the architectural and construction industries. These fittings are designed to provide structural support and aesthetic appeal in glass facades and curtain wall systems, meeting the stringent requirements of modern architectural designs.

Shri Krishna Metal Products is committed to delivering exceptional value to its customers through a combination of quality products, competitive pricing, and prompt service. With a customer-centric approach, the company strives to understand and fulfill the unique requirements of each client, ensuring total satisfaction and building long-lasting relationships.

Driven by a culture of innovation and continuous improvement, Shri Krishna Metal Products invests in state-of-the-art manufacturing facilities and employs skilled professionals to maintain its competitive edge in the market. The company adheres to strict quality control measures at every stage of the production process, from raw material sourcing to final inspection, to ensure that only the finest products reach the customers.

With a vision to be a leader in the metal products industry, Shri Krishna Metal Products is dedicated to surpassing customer expectations and setting new benchmarks for quality and reliability.
