Established in the year 2007, Nirmal Exports is based in Gujarat (India). The operations of the organization are well handled by Mr. Vijay Kumar (Director). Our major areas of operation are Asia, Africa, Far East, Gulf Countries, Sub Conti, and U.S.

Our Vision

Our vision is to satisfy our customer's desires by exceeding their expectations. We have devoted ourselves to serve the society with passion, integrity and vision. We source cheaper and better products, providing quality assurance and quality auditing that will exceed your expectation.

- Fastest service
- 100% client satisfaction
- Awesome support
- Secured service

Our Team

Ours is a team of highly skilled professionals possessing immense knowledge of their respective domains. Our units are divided into administrative, quality inspection, sales & marketing, and logistical support and each unit has expert team members. All of our team members work in close coordination with each other.

Our Vendor Base

Owing to our sound relationship with our vendors, we are capable of maintaining our market credibility. Our vendors strictly check their cultivation procedure and process the salts using advanced machines ensuring 100% purity at customers end.
