## About Us

All Around Polymer LLP, we are passionate about providing high-quality plastic granules to a diverse range of industries. Founded in 2010 by Mr. Onkar Rai, our company has grown to become a leading manufacturer, supplier, and trader in Jhajjar, Haryana.

At ALL AROUND POLYMER LLP, we specialize in the production and distribution of various types of polymer granules, including nylon, polyamide, polyacetal, polypropylene, polycarbonate, polyoxymethylene, ABS, SAN, PBT, and PTFE granules. Whether you require materials for injection molding, extrusion, or other manufacturing processes, we offer a comprehensive selection to meet your specific requirements.

Our commitment to quality is unwavering. We source our raw materials from reputable suppliers and employ stringent quality control measures throughout the manufacturing process. This ensures that our granules consistently meet the highest industry standards.

We understand that every customer has unique needs. That's why we offer a personalized approach to customer service. Our dedicated team of experts is always available to answer your questions, provide product recommendations, and ensure you receive the best possible solutions for your specific applications.

At ALL AROUND POLYMER LLP, we believe in fostering long-term partnerships built on trust, integrity, and mutual success. Whether you are a small-scale manufacturer or a multinational corporation, we are committed to meeting your polymer needs with excellence and professionalism.
