

The background is a vibrant, layered composition of tropical foliage. It features various shades of green, from deep forest greens to bright, almost neon greens. The leaves include long, feathery palm fronds and broad, heart-shaped monstera leaves with characteristic holes. Interspersed among the leaves are several coconuts. Some are whole, showing their brown, fibrous husks, while others are sliced in half, revealing the white, fleshy interior of the coconut meat. The overall effect is a lush, dense, and tropical atmosphere.

# BHUVANESH ENTERPRISES
