

FIRECHEM

An ISO 9001:2000 Certified Company, **FIRE SAFETY DEVICES PVT. LTD.**
has proved its mettle by offering the best-in-class Fire Fighting Products.

ABOUT US

The year 1995 saw the incorporation of Fire Safety Devices Pvt. Ltd., in Faridabad (Haryana). The rich 20-year-experience of Mr. DP Parekh (Director) has helped us to win excellence that is testified from our turnover of INR 29 Crores. Further, we offer Customized Packing Solutions to the clients.

INFRASTRUCTURE :

Located over an expansive area of 7,500 Square Yard, our infrastructure consists of three factories: two in Faridabad and one in Haridwar. Further, we have state-of-the-art Testing Labs to test the quality of these Fire Fighting Products. Also, we have DSIR Approved R&D Labs, which help us to keep a tab on the developments taking place in the manufacturing of Fire Fighting Products.

PRODUCTION CAPACITY :

Powder 500 Tons per Month
AFFF 2, 00, 000 Liters per Month
Extinguishers 10000 Pieces per Month

NETWORK :

Hard work and dedication to never give up have helped us to win the trust and support of the clients. Some of the parts of the world where we have built an extensive market presence are :

Middle East
South East Asia
Africa
Latin America
USA

WHY SELECT US?

Safeguard man and his assets from fire has been the chief aim on which we have established our foundation stone. Some reasons that set us apart from the rest are :
We offer premium Fire Fighting Products at rates that will not burn a hole in the pocket
These Fire Fighting Products are made using world-class basic materials (both imported and indigenous)

These reasons, among others, have enabled us to leave mark of prominence in the world market.
