

# 2009

 **goodflame** | **Megha Tech**

One of the well acclaimed names in the industry, Empire Industries is a company that provides a premium range of magnesium metal products. We are operating as a manufacturer, importer, and exporter of high grade magnesium metal powder, magnesium metal ingots, and magnesium metal turnings.

**MEGHA TECH** is an esteemed organization from Faridabad (Haryana) that is engaged in the manufacturing of a variety of home & kitchen utility products for over a decade now. We are a well-known manufacturer and supplier of finely crafted single burner gas stove, electric iron, 2 burner gas stove, 3 burner gas stove, 4 burner gas stove, and cookware. We make these products available in different designs, materials, sizes, and specifications to cater to buyers' diverse requirements. We are known for offering sturdy and exquisite home & kitchen products in medium and bulk quantities at reasonable prices.

**MEGHA TECH** is an acclaimed organization that was established in the year 2009 by a dynamic and resourceful professional i.e. Mr. Nitin Garg (Director). Under the astute leadership of Mr. Garg, the company makes available products in standard specifications and at industry leading prices. Since establishment, we have been maintaining cordial relationships with our patrons and catering to their needs successfully.

## QUALITY ASSURANCE

The products that we offer are highly appreciated by our clients due to their superior performance, aesthetic appeal, good packaging, and reasonable pricing. They are examined on different quality parameters in order to detect any kind of flaws in them so that the buyers are served with the premium products only.

## OUR TEAM

Working for us is a reliable team of highly skilled & experienced professionals, who are widely known for executing their assigned tasks within the set timeframe. Our team includes supervisors, delivery experts, packaging experts, managers, and many more.
