# ABOUT US

Stacker's & Mover's (I) Mfg. Co. was established in the year 1995 in Gujarat, India. We are a manufacturer, exporter and supplier of hand trolleys, pallet trucks, lifting stackers and a lot more. The offered products are processed using advanced technology in complete compliance with the universally accepted norms of quality.

Our products are tested on well-defined quality parameters using modern testing tools and devices by our skilled quality controllers to ensure their flawlessness. To provide complete contentment to our respected clients, our whole team works round the clock and offers a vast array of flawless products. We maintain healthy relations with our prospective patrons and create transparency in all our business dealings.

We also deliver our products in high-quality packaging material to ensure safe transit at the clients' end. Apart from this, our easy payment modes, transparent dealings, client-centric approach, competitive price range and ethical business policies have placed the firm achieve immense success in the world.

## Why Us?

Owing to our vast industrial experience in this domain we are actively engaged in offering supreme quality products. Factors that set us apart from other market players are as follows :

- Quality product range
- Market leading prices
- Sound Infrastructure
- Ethical business dealings
- Easy mode of payments
- Wide distribution network
- Stringent Quality Control management
- Customization
- Timely Delivery
- Experience & Well-versed Professionals.
