The company owned by Mr. Dharmaraj Ombase, opened its doors to trade in 2021 and has since been flourishing in trade. They are doing business all over India besides Mumbai and Maharashtra.

Our Imports and Exports

The list of our imports and exports has begun to see a meteoric rise in sales and supplies. We have a huge range of baby clothing to our credit. Our company is stocked up with a whole good and beautiful range of infant clothing like caps, body suits, tops, vests, rompers, hoodies and anything that one will need to attire a baby for every season. We even supply beautiful cotton and hosiery frocks. Parents have the solution to the child's nightwear even with us. For a child's two piece suit we boast of a good collection there even. You need a whole load of pants and tees come to our quality house and we are ready with it.

The enterprise has a list of mobile tempered glass for mobiles of every make and company. Just as we have the solution to your mobile tempered glass we can help you remain fit and healthy with our supply of green tea of various brands.

We assure not only quality but we can vouch for the safety and economy of our goods. A customer will at no circumstance feel deprived if they come to our house of goods and items of beauty and quality.
