# About Us

Owned by Mr. Saquib Shaikh, Hardcraft has been scaling newer heights of success since its incorporation in the year 1991. Besides, having a wide market presence, the company is basically located in Mumbai, Maharashtra (India).

## INFRASTRUCTURE

Our infrastructure is spread over a wide area of land and is well-equipped with high-tech machines and the most sophisticated technologies. Besides, we are able to facilitate bulk production of our products in a short notice period owing to the remarkable performance of the machines installed in our unit.

## INDUSTRY EXPERIENCE

We have around 25 years of experience in the given industry. In such a long period of time, we have adapted ourselves to many changes and our professionals have gained immense experience & have improved their skills. Also, we have now gained mastery in production, testing, packing and warehousing.

## QUALITY CONTROL

We lay extra emphasis on the quality of our products to deliver a defect-free range at the clients's end. Therefore, we follow the highest standards of quality and conduct various quality control tests on the products before approving them for the final delivery.
