# About Us

Under the leadership & guidance of the proprietor, Mr. Ram Chandra Bihari, Reborn-A has created a strong foothold in the industry. Located in Bhubaneswar, Odisha (India), the company came into existence recently in the year 2016.

## Our Philosophy

We dwell on the philosophy of “Client-Centric Approach” that has enabled us to become the most sought-after organizations known across the country. Also, we believe in providing our clients with the best quality prawns that are 100% hygienic and have longer shelf life.

## Warehousing & Packaging Experts

To ensure our Frozen Prawns are stored under hygienic conditions at well-maintained temperature, we have hired a team of warehousing experts. This team manages everything related to the storage of products. Besides, our packaging experts ensure the prawns are packaged using high-grade packaging material which is in compliance with the international quality standards.

## Nationwide Reach

We are backed by a modern transit system which facilitates delivery of even the urgent as well as bulk orders at any desired location across different parts of the country. Besides, as the system is strong & quick, all the orders are delivered within the allocated time period.
