ABOUT US

Established in **2008**, "**Classic Marketing Company**" is a well-known producer and trader of top-notch writing boards, projection screens, pin-up boards, and various other office products. The company we run has progressed gradually by providing innovative, durable solutions. We combine contemporary aesthetics with functionality to improve the way you work.

Our broad list of products encompasses white boards, chalk boards, magnetic glass boards, ceramic boards, and more. We offer motorized and manual projection screens in a variety of sizes. Our pin-up boards are offered in cork and acrylic choices. Accessories such as aluminum pencil trays, name plates, stands, as well as letter boards improve the products we offer.

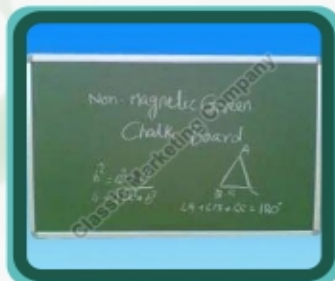

Whether you require writing surfaces for conferences, classrooms, or office cabins, we've got you covered. All of our goods encourage successful presentations, discussions, as well as messaging. You may select from various sizes, colors, as well as mounting styles per your needs. We provide mobile stands and tripods, as well as wall-mounted choices for versatile applications.

Improve your workplace or establishment's infrastructure by purchasing our high-quality boards and accessories. Get in touch with us today; our team of professionals will help you choose the ideal solutions you need for improved efficiency.
