

Shree Nidhi Engineers

Established in the year 2014, Srinidhi Engineers, Bangalore, is among the prominent manufacturer, supplier and trader of a wide range of high quality Food and Pharmaceutical Processing Equipments.

ABOUT US

Established in the year 2014, Srinidhi Engineers, Bangalore, is among the prominent manufacturer, supplier and trader of a wide range of high quality Food and Pharmaceutical Processing Equipments. These machines are manufactured from finest quality metal and alloy, which is obtained from trusted vendors. Available with us at standard market price, these machines are known among our customers for their rich attributes such as easy to use, high production capacity, minimum maintenance, and corrosion resistant. The offered machine and equipment can be customized as per the requirements of our customer. .

We have gained a commendable position in the market in a short period of time due to our state-of-the-art infrastructure. Our rich infrastructure is divided into various departments to ensure streamlined operations. Each of the manufacturing units is supported by highly advanced machinery, which is necessary for a standardized output. The engineers and technicians are appointed based on their expertise in this domain, to effectively handle this ultra modernized equipment. These professionals are trained regularly on various parameters to effectively handle these machines. .

We are operating under the expert guidance of Mr. Venkateshwaralu K, who has a vast experience in this field. His motivation and management skills have helped us gain a remarkable position in the market in a short period of time. Keeping in mind the convenience of our valuable customers, we offer them multiple options for payment as well as shipment.

Nature of Business	Manufacturer, Exporter & Supplier
Number of Employees	8
Year of Establishment	2014
Market Covered	Globally
Name of CEO	Mr. Venkateshwaralu K
GST No	29AHPPV2144N1ZH
Legal Status of Firm	Individual (Sole proprietorship)

PRODUCTS

Energy Conversion Lab Equipment

Diesel Engine Test Rig

Petrol Engine Test Rig

Port Timing Diagram

Mild Steel Valve Timing Diagram

PRODUCTS

Energy Conversion Lab Equipment

Mechanical Planimeter

Junker Gas Calorimeter

Bomb Calorimeter

PRODUCTS

Propulsion Lab Equipment

Test Rig

Flow Visualization Channel

Return Circuit Open Surface Water Tunnel

Cascade Wind Tunnel

Boys Gas Calorimeters

PRODUCTS

Structural Lab Equipment

Demountable Mechanical Strain Gauge

Digital Bomb Calorimeter

Beam Test Setup

Column Test Apparatus

PRODUCTS

Commercial Aircraft

Material	Metal
Stroke	4 Stroke
Color	As per requirement
Origin	India
Mfg. Technology	CAD/CAM

Supersonic Wind Tunnel

Type	Subsonic Wind Tunnel
Material	Frp
Length	According To Customer
Application	Industrial Use
Color	Multi-colored
Voltage	110V
Power	4Hp
Power Source	Electric

Subsonic Wind Tunnel

Country of Origin	India
Type	Subsonic Wind Tunnel
Material	Frp
Length	According To Customer
Application	Industrial Use
Color	Multi-colored
Power	4Hp
Power Source	Electric
Phase	Three Phase
