V.G. Products is counted amongst the leading names in the market of Jodhpur. We are in the business of manufacturing, exporting and supplying agro products such as Indian pulses, Indian spices, sesame seeds, agro seeds, barley husk, fine wheat flour and wheat bran. The agro products that we offer are cultivated under the controlled conditions without the use of harmful chemicals and fertilizers. These agro products are largely appreciated for their high nutritional content and long shelf life. We pack our agro products in high-grade packaging to keep their freshness intact for a long time. Our agro products are available in different packaging sizes. We supply our agro products to various food stores and retailers in the country. Connect with us now by dialing our numbers to purchase our products.

V.G. Products is a Jodhpur (Rajasthan, India) based company, which is operating in the industry since 1999. The company has been able to gain a sizeable clientele in the Jodhpur by offering such high-class products at affordable charges.

## MAJOR MARKETS

V.G. Products supplies its products to various states of India. Several clients in the nation have approached us on several occasions to purchase our products. We export our products to various countries as well.

## WHY CHOOSE US?

We are working in this industry for more than two decades now and have carved a niche for ourselves in the market. Moreover, our specialization in making timely deliveries of our orders has made us more popular in the market.
