ABOUT US

Royal Scientific Works is a professionally managed organization engaged in the commerce of Laboratory Equipment often used in the projects related to Chemistry, Geography, and Physics. Our company is an ISO 9001-2008 certified company. The company is established in the year 2007 in Haryana. It is directed under the guidance of Mr. Ajit Singh, CEO of the company. His developed business acumen, experience, and expertise have led the company to the newer heights of success. Besides, we have acquired the status of one of the most trusted Microscopes Manufacturers & Suppliers in India and abroad.

Infrastructure

The robust infrastructure backed with state-of-the-art machinery enables us to manufacture precise range of Chemistry Laboratory Equipment & Geographical Instruments within stipulated timeframe. We attain a huge warehouse to keep our products safely against any kind of cracks and scratches. Our warehouse is built in various sections to accommodate huge range of products available with us.

Quality Assurance

We harbor strict quality control policy involving factory audits, continuous surveillance of production and packaging process, which ensures the quality standard of our products. Besides, our every product undergoes through quality-testing measures to ascertain their standard.

Networking

We entertain broad networking with esteemed vendors to avail all kinds of products required by the customers. Besides, we procure quality raw materials for our products through these vendors. We have well-integrated team of marketing and distribution that is active in India and overseas market.

Automobile Engineering Lab Equipment

Refrigeration Test Rig

Digital Theodolite

Electronic Total Station

Research Polarimeter

Open Circuit Wind Tunnel

IC Engine Lab

Laboratory Refrigeration & Air Conditioning Equipment

0023 Friability Test Apparatus

255 Friability Test Apparatus

Vernier Theodolite

Automatic Level Instrument

Profile Projector

Metrology Microscope

Tool Maker Microscope

Monocular Microscope

Bomb Calorimeter

Cleveland Flash & Fire Point Apparatus

Laminar Air Flow Cabinet

Fume Hood

Rotary Vacuum Film Evaporator

Surgical Equipments

Hospital Instruments

Mortuary Chamber

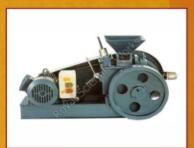

CNC Lathe Machine

CNC Milling Machine

Direct Shear Test Apparatus

Jaw Crusher

Water & Soil Analysis Kit

Digital pH Meter

Green Chalkboard

Universal Milling Machine

Arc Welding Machine

TIG Welding Machine

335 Vertical Autoclave

Semi Automatic Horizontal Autoclave

BOD Incubator

Plant Growth Chamber

Seed Germinator

KE-149 Humidity
Cabinet

Laboratory Glassware

Geography Lab Equipment

Electrical Lab Instruments

Electronic Lab Equipment

School Lab Equipment

Physics Lab Equipment

Chemistry Lab Equipment

Structure Lab Instruments

Concrete Testing
Machine

Pharmacy College Lab Instruments

Heat Transfer Apparatus

226 Student Kymograph

227 Student Kymograph

Dumpy Level

Disc Polishing Machine
