At **Dhiren Plastic Industries**, we are leaders in delivering innovative and reliable packaging solutions. Since our inception in 1986 by the visionary **Late Rajnikant Sheth** in Ahmedabad, Gujarat, we have grown into a trusted name across industries, combining decades of expertise with cutting-edge technology. Our state-of-the-art facility, spanning **45,000 sq. ft.** and backed by **2 Lac sq. ft.** of manufacturing space across four locations, is equipped with modern machinery and high-quality raw materials, enabling us to produce over **10 million units per month** with precision and efficiency. What sets us apart is our unwavering commitment to quality, ethical business practices, and exceptional client support. From transparent quotes and expert guidance to timely delivery and seamless communication, we ensure every project exceeds expectations. With a skilled workforce, in-house R&D, and decades of experience, **Dhiren Plastic Industries** continues to redefine packaging excellence, providing solutions that are cost-effective, durable, and tailored to the unique needs of our clients.
