S R Industries
Manufacturer and supplier of automotive products

Company Overview

At S R Industries, we specialize in two core areas critical to the automotive industry: automobile testing services and wiring harness manufacturing. Our mission is to support vehicle safety, performance, and compliance through reliable testing solutions and precision-built electrical components.

Automobile Testing Services

We provide a full suite of automotive testing solutions covering emissions, engine performance, fuel systems, electrical diagnostics, braking systems, and more. Our testing equipment is sourced from leading manufacturers and built to meet rigorous industry standards and regulatory requirements.In addition to equipment supply, we offer RLDA, Testing & Measurement Solutions delivered by experienced technicians—to ensure your testing systems remain accurate and operational.

Wiring Harness Manufacturing

Our manufacturing division produces custom and standard automotive wiring harnesses designed for durability, reliability, and efficient electrical performance. Whether for passenger vehicles, commercial fleets, or specialized applications, we build harnesses that meet your technical and quality specifications.We handle every step—from design and prototyping to assembly and quality control—with a focus on precision and consistency.

Why Choose Us

- Proven expertise in automotive testing and electrical systems
- Commitment to quality and industry compliance
- End-to-end support from product selection to after-sales service
- Skilled technicians and manufacturing specialists
- Customized solutions tailored to your project needs

Let us help you ensure every component and system in your vehicle performs with confidence. Explore our products, connect with our team, and see how we can support your success.

S R Industries
Manufacturer and supplier of automotive products

Our Mission

To Deliver High-quality Automotive Testing Solutions and Precision-engineered Wiring Harnesses that Enhance Vehicle Safety, Performance, and Reliability. We are Committed to Supporting Our Clients with Dependable Products, Expert Services, and Innovative Solutions—driven By Technical Excellence, Integrity, and a Relentless Focus On Quality.

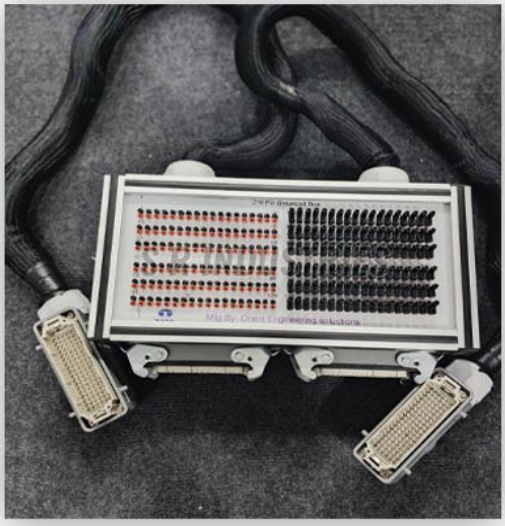

Our Vision

To Be the Trusted Partner of Choice for the Automotive Industry By Delivering Dependable Testing Solutions and Precision Wiring Harnesses. We Envision a Seamless Customer Experience—where Clients Can Find Top-tier Products, Expert Support, and Reliable Service all in One Place. By Combining Advanced Testing Capabilities with High-quality Manufacturing, We Aim to Set the Standard for Safety, Performance, and Innovation Across Every Vehicle System We Support.

S R Industries
Manufacturer and supplier of automotive products

Breakout Box

Business Type : Manufacturer, Exporter
Application : For Automotive Integration Testing
Color : Black, Grey
Country of Origin : India
Frame Material : Aluminium Frame
Packaging Type : Box

Power Distribution Box

Business Type : Manufacturer, Exporter
Feature : Light Weight
Display : Optional
Country of Origin : India
Cable Option : 3mtr / 5mtr
No of Channel : 4 Channel

S R Industries

Manufacturer and supplier of automotive products

Customized Wiring Harness

Business Type : Manufacturer, Exporter
Inner Material : Copper
Outer Material : PVC
Country of Origin : India
Color : Black
Application : Automotive Wiring
Type : Wiring Harness

Customize Pigtail Cables

Business Type : Manufacturer, Exporter
Application : Automobile Use
Color : Black
Country of Origin : India
Categories: : Pigtails
Certificate : ISI Certified

OBD Diagnostic Cable

Business Type : Manufacturer, Exporter
Application : Automobile
Color : Multicolor
Country of Origin : India
Feature : High Ductility
Special Feature : Waterproof
Connector Gender : Male-to-Female
