ESTABLISHED IN 1997

One of the eminent names in the footwear market, **STAR IMPACT PVT. LTD.** is a fraternity that is engrossed in the business of providing the best quality and highly durable sports shoes and leather articles to the customers. We are a remarkable manufacturer and supplier of Sega athletic shoes, Sega cricket shoes, Sega football shoes, Sega multi sports shoes, and similar other Sega sports shoes. We have been providing the most durable, innovative, and able sports shoes to our customers. This has demand and popularity in the footwear sector. We conduct the entire manufacturing process by dividing it into separate sections. From the procurement of raw materials to the packaging of the final product, stringent quality check is maintained by our quality auditors.

comfort-increased our

Based in Punjab (India), **STAR IMPACT PVT. LTD.** is one of the acknowledged manufacturers and suppliers of a wide variety of sports shoes and leather articles. The company was established in the year 1997 under the proprietorship of Mr. Mohammad Owair (Owner). Besides, we have been able to complete our varied projects under the guidance of our project manager, Mr. Umer Farooq.

OUR INFRASTRUCTURE

Our factory and infrastructure is spread in an area of approx. 1, 17, 000 square feet. Besides this, we have installed advanced plants and machineries that are imported from exceptional machine manufacturers from the globe. We also have a tool room especially designed for moulds, dies, and production of water-resistant and full-grain leather products. Our teams constantly develop and upgrade the infrastructure.

CUSTOMER SATISFACTION

We achieve customer satisfaction by catering to the needs and aspirations of the customers. We use the latest techniques and upgrade our technologies to produce the excellent quality midsoles, outsoles, and upper soles.
