

Mehta Pipes & Fittings

*Supplier, Trader &
Importer*

Mehta Pipes Fittings, your trusted supplier, importer and trader of high-quality industrial fittings and flanges. Founded in 2015 by Mr. Bastimal Mehta, our company is based in the vibrant city of Mumbai, Maharashtra, where we have established ourselves as a key player in the industry. With years of experience and a commitment to excellence, we pride ourselves on delivering a comprehensive range of products designed to meet the diverse needs of our clients.

At Mehta Pipes Fittings, we specialize in a wide array of products, including alloy steel, stainless steel, and carbon steel flanges, as well as various fittings such as tees, reducers, and elbows. Our extensive inventory also features stainless steel pipes, plates, sheets, and a variety of valves and bars, ensuring that we have the right solutions for every application. We understand the importance of quality and reliability in industrial components, which is why we source our materials from trusted manufacturers known for their adherence to rigorous industry standards.

Customer satisfaction is at the heart of our operations. Our team of experienced professionals is dedicated to providing exceptional service, from assisting with product selection to ensuring timely delivery. We believe in building long-lasting relationships with our clients, understanding their specific requirements, and offering tailored solutions that enhance their operational efficiency.

As we continue to grow, our commitment to innovation and excellence remains unwavering. We constantly strive to improve our product offerings and expand our capabilities to meet the evolving demands of the market. Whether you are in construction, manufacturing, or any other industry requiring high-quality fittings and flanges, Mehta Pipes Fittings is your go-to partner for all your needs.
