Kind Attn.:

Ref. :

SUBJECT: Electromagnetic and mechanical Clutches and brakes, Clutch Plates, Telescopic Brushes, pneumatic, hydraulic Clutches and Brakes.

Spares for HMT, BFW, Kirloskar, Batliboy Conventional machines as per part numbers.

Brake liners, sintered, asbestos and non asbestos based Friction products & Sealing elements for Hydraulic, Pneumatic and mechanical engineering systems.

Turcite - Lubway, Machine tools Guideway Linear self Lubricating Bearing system.

Ball Screws & Ball Nuts

Dear Sir,

We have pleasure in introducing ourselves as the manufacturers of Electromagnetic and mechanical Clutches and Brakes, Clutch Plates, Telescopic Brushes for HMT, BFW, Kirloskar, Beco, Cooper, Batliboy and other indigenous and imported machine tools-metal working, packaging, Textile etc.

Our range covers a wide variety of clutches, brakes, clutch plates and Telescopic Brushes of leading manufacturers of the world like ZF, Ortlinghaus, Binder, Stromag, Heid, Mitsubishi, Lenze, Dessau, Ogura, Moning Hoff, Miki Pulley, Warner Tourco etc. etc.

Besides, in our range are machinery spares like gears, shafts, lead screws, racks, pinions, split nuts, bushes, oilseals, pins, springs etc. for conventional machines manufactured by HMT, BFW Kirloskar, Batliboy, as per their part numbers.

Furthermore, the spares for other indigenous and imported machines can be manufactured as per drawings or samples.

Our list of satisfied customers includes Defence, PSU's, Railways, Shipyards, Private sector industries in the field of Auto, Textile, Pharma, Packaging etc. etc.

We assure you high quality of our products and give guarantee against defective workmanship. It is our endeavor to ensure that your machines are not idle for want of the products covered by us.

We request you to kindly send us your valued enquiries as and when demand arises and give us a chance to serve your esteemed organization.

Thanking you,

Yours faithfully,

For **ENGINEERING HINDUSTAN**
