Established in 1984, Das Photostat Centre is based in Guwahati, Assam (India). We can undertake projects related to volume based copying & printing jobs and we are also open to providing all types of documentation solutions.

## Client Satisfaction

Client satisfaction has always been our top most priority. Backed by a dedicated team of experts, we make every possible effort to ensure complete client satisfaction. Additionally, we have gained expertise in catering to the most specific requirements of the clients.

## Quality Policy

Quality is one aspect on which we never compromise. We make sure that the best quality services are rendered to our clients through our highly efficient team of experts. Additionally, the team members are regularly trained so as to keep them abreast with latest advancements. Our experts also keep in touch with the clients regularly to ensure they get their best.
