

# *KA* Kumar & Associates

**Kumar & Associates** is a flourishing Steel Plant Advisor, providing end-to-end steel plants consultancy services. Supported by an experienced team of engineers, we provide matchless Steel Plant Consultancy services to all over world. Owing to our expertise in this domain, we have been showing the right path to the clients in erecting the integrated mini steel plants. With our right business ethics, we have achieved the ISO and BIS certifications by our associates mfg & team of professionals. Within a short span of time, we have successfully executed the projects in India and African countries like Senegal, Uganda, Zambia, Nigeria, Cameroon etc. We are member of Indian Institute of Metals Kolkata and South East Asia Iron and Steel, Malaysia. Last but not the least our prime motto is to provide head to tail Steel Plant Consultants Services to the clients to give impetus to their business endeavors.

## ABOUT US

Kumar & Associates is a Steel Plant Consulting Company that was established in Feb 2009 by the painstaking efforts of Mr. Sushil Kumar Sharma, the CEO of the company. We are providing all-inclusive Steel Plant Consulting Services with the assistance of a team of experts and various requisite resources. As a distinguished steel power plant consultant, we have created tie-ups with a Chinese manufacturing company for slit and wire rod block mill to produce 5.5 mm wire rod at 100 m/s speed. Till this date, we have undertaken and executed a large number of projects all over the world, especially in the countries like Libya, Senegal, Mauritius, South Africa, Qatar, Bahrain, Dubai, Ghana, Morocco and Algeria and many more.
