**Mr. Prateek Khandelwal** the CEO of the company is a versatile businessman and an experienced professional in this field. Based in Delhi, the capital of India, the company has placed it among the reckoned Plastic Zipper Bags Manufacturers in India.

### Infrastructure

Keeping pace with the modernization in the industry, we have brought about the modern machineries and testing materials which enable us to manufacture flawless products. Our products are that's why capable to compete with the international products by the standard of quality.

### Quality Consciousness

We have never compromised quality for any kind of extra profit. The raw materials used are unquestioned since they undergo rigorous quality control measures. The whole manufacturing process is carried out under the supervision of trained experts so as to ensure safety from the point of view of environment and hygiene.

### Network

We have the support of an efficient network within and outside our system. We have been a prominent Exporter to several parts of the world including Europe and USA. Our track record of timeliness in delivery has been excellent throughout. The company has inherited its ancestor's glory in this field and has built up a position for itself in the market by consistently supplying quality products. We have always thrived at attaining the position of market ruler by serving our clients with the best quality products at the most effective price. Our huge list of clientele which includes Zara Home, Lotto, Playboy, Adidas, Little Princess etc. tells the story of our success. Delivering the best, we are ready to accept the challenge of being on the top.

### At the moment, we cater to the following industries :

- ◆ Hosiery and Garments
- ◆ Defence and Ordinance
- ◆ Pharmaceuticals and Health Care
- ◆ Electricals and Electronics
- ◆ Food & Beverages
- ◆ Footwear
