Rangoli Plastics Pvt. Ltd. is Maharashtra based large scale Manufacturer and Supplier of Plastic Drums and Plastic Square Can. Our products are known to possess enormous capacity and deep strength. Our drums and cans are demanded in both household and industrial purposes for storage of different kinds of substances. Our products are capable enough for restricting moisture and other dust particles from entering inside them. These plastic products can store huge amount of oil, water, kerosene, petrol, etc.

Established in the year 1994 under the co-ownership of Mr. Dungarshi Dedhia and Mr. Vasant M. Gosar , our company has successfully completed more than 15 years in the business. Our company also has ISO 9001:2015 quality certification with itself.

### Infrastructure

In order to ensure manufacture of quality products, we have access to huge infrastructural facilities. We have 2 factories which ensure production of drums and cans. Our manufacturing and storage area is spread over 30,000 sq. ft. Moreover, we have blow and injection moulding machinery which has capacity to produce 1800 M.T. per year.

### Team

Our highly professional and skilled team helps us in the manufacture and distribution of Plastic Drums and Plastic Cans everywhere in country. Our team members remain updated about the new changes that can make our plastic product better. Our team of highly qualified professionals tries to meet all the demands timely with complete customer satisfaction.

### Quality Assurance

Our company produces superior quality Plastic Drums and Plastic Cans. We use imported as well as Indian HM-HDPE as raw material for manufacture all our products. In addition to it, we have proper warehousing area where we store all our newly manufactured products so as to prevent them from any damage. The minimum order quantity which we accept is of 50 drums.
