About Us

INDOMAX multitrades, is a one stop solution company offering the platter of multi brands and & products. The founder of the firm, Mr. Bashir Pathan, has over thirty years of work experience in the sourcing & procurement field and the company's combined experience exceeds thirty five years. The company has expertise in all aspects of building & process systems including creative lighting solutions, security, power distribution, communications and network systems and special control systems in both the public and private sector.

We believe in meeting customer's expectation by providing them with genuine quality products & prompt services at very competent prices. We intend to make working with INDOMAX as easy as possible and empower them.

Strong logistic team

INDOMAX Multitrades has launched its FMCG Brand "SHIMIRA" in India and abroad, to spread our strong presence of Quality Products of Food and Agrobased commodities for all the people worldwide.
We are here committed to establish our brand presence in FMCG Products worldwide. Shimira Agro, enjoys the unchallenged loyalty of our Agents, Distributors and foremost the faith of customers since we have been receiving constant requirements of FMCG products from the existing associates of Industrial sectors and therefore we have separately launched a FMCG division for further expansion of our company in that sector.

Why us?

- Exceptional quality
- Timely deliveries
- Customer-relationships
- Adherence to the industry norms
