

**Shree Ram Corporation**

# ABOUT US

**SHREE RAM CORPORATION** is a name that is counted amongst the preeminent fraternities that are involved in offering the high quality fresh organic & non- organic vegetables and fruits. We are a noteworthy exporter and supplier of onion, fresh pomegranate, fresh banana, fresh seedless lemon, fresh chilli, fresh grapes, fresh orange and other such products. We are operating in the industry with our 350 acres of land since last 6 years. We also enjoy 5% of the market share of our products across Gujarat. We've also started operating in the international market recently. Our distribution network is spread in areas like Middle East, Sri Lanka, Singapore, USA, Bangladesh, Malaysia, Canada, and Europe. These products are sold in different markets at the most reasonable prices. Shree Ram Corporation, deeply rooted in Ahmedabad (Gujarat, India), is a firm that is engaged in the business of exporting and supplying premium quality agro products like fresh vegetables and fruits. The company has been operational since the year 2017.

## STORAGE

We have a cold storage facility at our inventory. It is equipped with facilities like blast freezing, room freezing and chilling, and imported wooden bins. We have exclusive technologies to keep the fruits and vegetables fresh throughout its stay.

## WHY US?

We are chosen by our clients owing to the following major features:

- Highly estimated agro product company in industry
- Products are carefully delivered
- Available in customized safe packaging
- Quality assured taste
- Budget-friendly prices
- Timely delivery
- Technology-driven and expert coordination
- Formal terms of trade and secure payments
- Also provide third party verification by SGS if customer insist for it.
