

# Precious Instruments

Our Company, Precious Instruments established in the year 1995, has secured a remarkable position in the market by providing quality products and personalized services. We are a sole proprietorship business house and operate all our business activities from our headquarters located in Thane, Maharashtra (India). Our expertise lies in manufacturing a wide range of instruments including annunciator panels, temperature data loggers.

# About Us

Our Company, Precious Instruments established in the year 1995, has secured a remarkable position in the market by providing quality products and personalized services. We are a sole proprietorship business house and operate all our business activities from our headquarters located in Thane, Maharashtra (India). Our expertise lies in manufacturing a wide range of instruments including annunciator panels, temperature data loggers, flameproof instruments, human body static discharge devices, tanker earthing systems, multiple earthing integrity monitoring systems, earthing clamps, single core spiral cables, flameproof human body static dissipaters, flameproof tower lamps, and much more. We test our products on various quality parameters in order to deliver a defect-free range to our customers. Due to their superior quality, excellent performance, long service life, and budget-friendly prices, the instruments that we offer are highly appreciated among our clientele.

The business activities of our organization are administered by our respectable Owner, Mr. Nishikant Bade. His great industry experience and in-depth product knowledge have enabled us to improve our business processes and develop an impeccable range of instruments that find wide applications in various sectors.

## OUR WORKFORCE

Our professionals are highly experienced & qualified and are dedicated to meeting the market demands efficiently. We have a team of quality controllers who check all instruments on certain well-defined parameters before being processed for packaging and delivery. Everything in our business is taken care of by our efficient and professional staff.

## OUR INFRASTRUCTURE

We possess a state-of-the-art infrastructural building, which is sprawled over a vast area in Thane. This building is sectioned into different departments that are resourced with all the prerequisite facilities. Our manufacturing unit is installed with advanced machinery and tools, which empowered us in producing a huge product range in a cost-efficient manner. The capacious warehousing facility at Precious Instruments is well-maintained and always filled with sufficient stock of every item.

## CUSTOMER SATISFACTION

We believe in building and maintaining good partnerships with our customers. Thus, it is our constant endeavor to satisfy our customers the most. Undoubtedly, our unmatched quality products, affordable pricing, ethical business practices, and experienced workforce are the key factors behind our success and enabled us to attain a huge list of elated customers across the world.
