## FRP REACTION VESSEL

Are you looking for FRP Reaction Vessel exporters? You are in the right place. Our company Dolphin Fibre Glass Industries is the best for these products. We manufacture a wide range of precision-engineered FRP reactors that are manufactured by using quality thermoplastics such as PP/FRP. These provide good insulation and are anti-corrosive as well. Our range of FRP reactors is widely used in various sectors such as pharmaceuticals, chemical engineering, pulp and paper industry, fertilizer, and metal refining. Further, these are used for replacing exotic metals, alloys, glass and rubber lined reactors

## FRP HORIZONTAL CHEMICAL STORAGE TANK

Dolphin Fibre Glass Industries offers a wide range of products and are counted as one of the top FRP Horizontal Storage Tank Suppliers in India. Our company offers a wide range of solutions for storing fluids or solids. These solutions are made of full FRP materials or Dual Laminate materials. The choice of material makes storage tanks from Dolphin Fibre Glass Industries easy to install in different environments. From experience, we know that every application has its specific requirements. Dolphin Fibre Glass Industries' storage solutions include detail engineering, manufacturing, transportation and installation of all components.

## FRP SPIRAL SCRUBBER

Dolphin Fibre Glass Industries is counted one among the top FRP Scrubber Suppliers in India. Scrubbers are high-efficiency air pollution control equipment used to remove particulate matter, fumes and gases (especially acid gases) from industrial processes.

The process takes place by 'scrubbing' the pollutants by contacting them with a scrubbing media (either wet or dry) thus resulting in a residual exhaust of negligible particulate size. We thus categorise them into dry and wet scrubber systems.

# OUR PRODUCTS

## FRP VENTURI SCRUBBER

Dolphin Fibre Glass Industries are renowned names in the industry, offering a highly durable range of FRP Venturi Scrubber that is manufactured with utmost accuracy. Our entire product range is functionally advanced in nature and ensures durable standards. We offer them in varied grades and are delivered as per the exact preferences of clients. Moreover, we offer them at the most affordable rates.

## FRP PACKED BED SCRUBBER

Your search for the best FRP Packed Bed Scrubber in Maharashtra, India. Dolphin Fibre Glass Industries is the best company for these products.

Environmentally harmful, corrosive or toxic gases are used in a large number of industrial processes. To protect people and the environment, these are subject to strict regulations, in particular which purification criteria a gas scrubber must achieve.

In a wide variety of (chemical) manufacturing processes, environmentally harmful or toxic gases are either starting materials or are produced as by-products.

## FRP FUME HOOD DUCT

Dolphin Fibre Glass Industries is the best FRP Fume Hood Duct manufacturer in India. FRP abbreviated as Fiber Reinforced Plastics / Glass fibre reinforced Plastics is a composite plastic and have a very specific property like high strength to weight ratio, greater corrosion resistance over metals making its usage in the widest applications ranging from aeroplanes, windmills to industrial ducts, hoods etc.

## FRP SPIRAL DUCT

We source the raw material from the leading vendors and manufacturers in the market; thus, we are capable of fulfilling the exact requirements of the clients with our offered products. We have trustworthy and well-organized shipping facilities available, along with this, we keep a record of the same as well, and this increases our efficiency and gains the trust of the customers.

Features:

- Robust design
- Excellent surface finish
- Modern design

# OUR PRODUCTS

## FRP PIPES

We always remain concerned about delivering a flawless range of products and thus we store the entire lot under secured environment till the final dispatch of the orders. Place an order with us for acquiring top-of-the-line quality FRP Pipes in retail or bulk.

Features :

- High compressive strength
- Excellent finish
- Proper coverage

## FRP VERTICAL CHEMICAL STORAGE TANK

Our company Dolphin Fibre Glass Industries is the best for getting FRP Vertical Chemical Storage Tank India. Backed by our high-tech manufacturing facility, we are offering our clients an excellent quality array of FRP Chemical Storage Tanks.
