Hindmade Machinery Industries (OPC) Private Limited is a Kolkata (West Bengal) based manufacturing company that deals in the production of different kinds of industrial machinery and equipment. We are known as a successful manufacturer and supplier of precision engineered paper cup making machine, paper glass making machine, disposable cup making machine, coffee cup making machine, and tea cup making machine. All these machines are manufactured at state-of-the-art facility using advanced components and materials with the support of competent manpower. We are a group of proficient individuals, who work round-the-clock and ensure that the provided machinery meet the specifications of the buyers. So, to avail the benefits of streamlined trade operations, choose us as your preferred trade partner.

Under the effective leadership of Mr. Rahul Shaw (Founder), Hindmade Machinery Industries (OPC) Private Limited has been scaling new heights in business growth by achieving customers' complete satisfaction. Mr. Shaw laid the foundation stone of the organization back in the year 2015.

● Our Team

Since our inception, we have appointed the most experienced and dexterous professionals, who are continuously engrossed in achieving excellence in terms of product quality as well as service delivery. This dedication of our professionals has resulted in the company's strong presence in the nationwide market.

● Why Us

Being a quality-centric organization, we examine each and every machinery before final dispatch ensuring no compromise with its quality and performance. Other factors leading to our success include:

- Authentic vendors
- Adept team of professionals
- Customized packaging options
- Ethical business dealings
- Wide distribution networks
- Nationwide reach
- Prompt and safe delivery of products
- Complete client satisfaction
