

LEADING

SUPPLIER & EXPORTER OF
AGRO PRODUCTS

Vijaya Enterprises

Vijaya Enterprises was incorporated in the year 1996 in Mumbai, Maharashtra. Under the spirited headship of our respected CEO Mr. Tejas Thakkar the company has broke new grounds in its business endeavor. The following are some of the salient attributes of the company that set it apart in the market:

Resources

The company is well equipped with all kinds of resources to meet the increasing demand of its products like agricultural food products, Feed Supplement and so on. We have a well organized warehouse where our products are stored in hygienic condition to guard against any adulteration.

Quality Management

Quality has always been tradition at our company. The company is guided by a set of stringent quality control policy. According to this, every single product is chemically and physically examined by our quality supervisors to ensure their highest level of quality and standard.

Network

The company thrives on its well organized business network that is spread in various countries. Our network has enabled us in attracting huge customer base in the international market. Consequently, today we are one of the most eminent Corn Oil Exporters in India.
