Krishna Sales Corporation is a sole proprietorship firm involved in importing and supplying a diversified range of high quality products to our clients since 2016. Our product range consists of varied Rf Detectors, Stun Guns, Metal Detectors, Smart Watches, Rifle Scopes, Mobile Signal Boosters etc. Customers can avail the offered range at market leading price range throughout India.

Located at the capital, Krishna Sales Corporation has started its operations to cater to the needs of multiple application. Being a client-centric organization, we make sure that the products we offer are procured only from reliable vendors as we do not compromise with the quality. Our products are widely acknowledged by our customers for their unmatched quality, easily adaptable and longer lifespan.

Our stun guns and metal detectors are popular amongst small retail shops and shopping malls. The range of mobile signal boosters are quite effective when it comes to eliminate the issue of failing network signals and weak cellular data connectivity. These issues have been a consistent hindrance to communication and have negatively impacted the business flow. With a team of certified professionals and industry veterans, we came forward to provide a robust and competitive solution. From the beginning, our aim was to streamline signal issues across all possible signal carriers such that people are connected seamlessly from the comfort of their homes and offices.

Our prime aim is to terminate the issue of inconsistent cellular networks across the world. Our mission is to establish smooth communication by boosting the signal strength offered by the cellular network service provider.

Krishna Sales Corporation is managed by our CEO Mr. Baljeet Kumar, his fair business policies and transparent business dealings are the major factors that helps us to gain a huge clientele all across India.
