Joya International was established in the year 2011 in Uttar Pradesh, India. We are a manufacturer and retailer of cotton summer rugs. We are the pioneers in this trade and have captured a very good market and have a very good set-up and resources. We have actual skilled traditional craftsmen and take care of the supply of the products in the scheduled time.

Our Quality

Accordingly, we have the desire to expand & work with your esteemed organization and sincerely assure you that our quality products in the global market & prices of course unbeatable. Thanking you & assuring you of our best services & cooperation for all times & all kinds.

Aesthetic Colours

We take pride in carrying the legacy of our family business of hand-crafted rugs & carpets which are unique and are favourite among the global customers. With our manufacturing unit, our weavers and craftsmen are well trained in the traditional ways of carpet manufacturing with sufficient exposure to modern and contemporary designs of the carpets and are creating waves with unbelievable products with aesthetic colours and sophisticated textures which are second to none in this part of the world.

Our Vision

Nothing is more important to us than building everlasting relations and providing the highest quality products to our clients.

Our Mission

We are committed to quality, growth and customer satisfaction.
