

About Us

FMC is a high-tech valve manufacturer located in India famous Valve Town-Chennai. Dedicated to research, develop high-quality valves, FMC becomes the rising star in the flow control industry.

We have highly qualified and experienced staff available to offer the most comprehensive solutions to our customers needs.

FMC management team has over 15 years of experience in offering customized project packages in all ranges of the flow control requirements. Whatever your project problems are, our technical team will offer its expertise to help you achieve right solution. Our customers are in a wide range of industries

FMC is a leading manufacturer and aftermarket service provider of comprehensive flow management products and services. Our solutions help move, control and protect the flow of materials in critical industries around the world.

Many other operations, such as pulp and paper mills, the electronics industry, food industry, cement, sand, glass and industrial treatment plants, present difficult challenges for which FMC Valve products are well suited.

Such us:

Uni-Knife Gate Valves, Bi-directional Knife Gate valves, Square Type Knife Gate valves, Slide Gate valves, Butterfly valves wafer type, Butterfly valves Double flanged type, Gate, Globe, Check valves Customized valves according to client's demands.

Nature of Business

Manufacturer, Exporter & Supplier

Number of Employees

20 - 50

Year of Establishment

2016

Market Covered

Worldwide

GST No

33AACCF7746D1ZT

Annual Turnover

Rs. 2.5 to 3 Crore

Knife Gate Valve

Uni-Directional Knife Gate Valve

Sizes
Standard Flange Connection

Actuators

Hard chrome Plating

Body
Packing

DN 50 to DN 1200 (larger diameters on request)
Wafer two lugged design,
Full Lugged design, Flanged design,
Hand wheels, Chain wheels, Levers, Bevel Gears,
Pneumatic Cylinders, Hydraulic Cylinders
This is a hot dip process producing a
uniform hard layer on steel and stainless
Cast iron, Cast carbon steel, Cast stainless steel
PTFE / PTFE Imperf. Synth. Fiber / Graphited rope

Bi Directional Knife Gate Valve

Body
Gate
Packing
Gland Follower
Seat Retainer Ring
Stem nut
Stem
Yoke

Cast iron, Cast carbon steel, Cast stainless steel
Carbon Steel, Stainless steel- 304, 316, 430, 410
PTFE Imperf. Synth. Fiber with an EPDM O-Ring
Cast iron, Cast carbon steel, Cast stainless steel
Stainless steel – 410/430/SS304/SS316
Brass, Gun metal & Ductile iron
Stainless steel – 410/430/SS304/SS316
Epoxy – Coated Carbon Steel
