

**ENAYA INDUSTRIES**

Enaya Industries are engaged in providing a wide collection of Ceramic decals, Glass decals, and enamel decals. We are considered one of the main players in the competitive marketplace and manufacture the best products.

# ABOUT US

Incorporated in the year 2015 at Faridabad, Haryana (India), we at **Enaya Industries** are engaged in providing a wide collection of Ceramic decals, Glass decals, and enamel decals. We are considered one of the main players in the competitive marketplace and manufacture the best products.

Our products are fabricated at our technologically advanced infrastructure service by using the best quality raw stuff, incorporating progressive techniques. Moreover, the whole range of products is vast and gives different choices to our valued clients to select from. Additionally, to get great client satisfaction, we also give personalized services to the customer as per their needs at the best price points.

# ABOUT US

We are India's top suppliers of top-quality screen-printed glass decals. The majority of the Indian glass-manufacturing units purchase decals from Enaya Industries for glass decoration ideas. Decals for spirit bottles, scent bottles, and candleholders are fired at temperatures started from 200 to 500 degrees.

## **Our Vision**

To set up as a renowned leader through the introduction of innovative products, high standards in quality, a strong customer center, a global sharing network, a commitment to its workers and the environment, and an assurance to run by the best standard of ethics.
