M/S REMAC
HANDICRAFTS

M/S Remac Handicrafts is a notable manufacturer, exporter, and supplier of an extensive range of Indian handicrafts products. Our product range includes Copper Tiles, Copper Mirrors, Copper Vessel Sinks, Boat Shaped Copper Bathroom Sinks, Undermount Hammered Copper Sinks, and many similar products. These products are available in different finishing types such as natural copper, shining copper, medium antique, dark antique, electroplated, and similar others. Owing to our 4 decades of experience in this domain, we have become the fastest growing name in the domain of handicrafts and metal works. With us, you can get exciting and innovative copper product designs along with high functionality and quality.

Headquartered in Moradabad (Uttar Pradesh, India), M/S Remac Handicrafts is a renowned manufacturer, supplier, and exporter of wide range of premium quality handicrafts products. Mr. Rohit Kumar Anand (Founder) pioneered the organization in the year 1977.

Our Mission And Vision

Mission : The motto of our organization is total customer satisfaction by providing competitive prices, excellent quality and on-time delivery. We always believe in long-term business association and consider our customer as part of our own organization.

Vision : Our vision is to manufacture innovative products that are eco-friendly and have anti-microbial properties and health benefits. Alongside, save electricity and provide excellent products for making the life of our customers safer and healthier.

Quality Assurance

All our products are checked stringently for optimum quality before they are supplied to the customer. Our quality management staff ensures that the best quality raw material and packaging material is procured from reliable vendors. Our team strives to improve the external as well as internal customer satisfaction by implementing, formulating, and monitoring plans.

Why Choose Us?

Most of our customers prefer us to other companies for the following reasons :

- We make use of copper that inhibits the growth of microorganisms and can be recycled. Therefore, our products are eco-friendly and good for health (infection free). The copper contained in our products ensures maximum effectiveness and enhance current infection control practices.
- As an efficient electro-thermal metal, copper maintains the temperature for a prolonged time without reheating requirements.
- Our company is standing firmly at a reputed position in the market on the pillars of ethicality, sincerity, honesty, and cordial customer relationships.
- Our copper-made products are easy to clean. You just need to remove the dirt with the help of a sponge or dish soap with each use. At regular intervals of 15-20 days, you need to apply wax.
- We provide 5-year warranty for our copper products. However, the finishes are not covered in the warranty.
- Our performance management system (PMS) helps the employees in shaping their career. The department heads test each employee and encourage him or her to understand his or her strengths. They help our personnel in improving the productivity. Our employees can also speak out their opinions under this system.
