

The background of the entire page is a photograph of industrial materials, likely aluminum profiles, stacked in a warehouse or factory setting. The Rudra Industries logo is positioned in the top left corner. The logo consists of the word "RUDRA" in a bold, orange, sans-serif font, with a stylized circular icon containing a flame or drop shape between the 'U' and 'D'. Below "RUDRA" is the word "INDUSTRIES" in a smaller, grey, sans-serif font. The entire logo is set against a white rectangular background.

**RUDRA**  
INDUSTRIES

Rudra Industries is a well-renowned and booming organisation involved in manufacturing and supplying bulk quantities of Glass door handles, cylinder lock and key, Glassdoor fittings, bed fittings, Glass door hinges, stopper, aluminium kitchen profile handle, etc to our customers throughout the country.

# About Us

Rudra Industries is a well-renowned and booming organisation involved in manufacturing and supplying bulk quantities of Glass door handles, cylinder lock and key, Glassdoor fittings, bed fittings, Glass door hinges, stopper, aluminium kitchen profile handle, etc to our customers throughout the country. Established in 2012 and founded by Mr Rajnikant Patel, we have grown ahead of our competition since our incorporation.

We have appointed an energetic team of trained and skilled experts that provides high-quality products to the customers at affordable prices. Based in Rajkot, we provide different types of metallic door handles and accessories at cost-effective rates.

## **Product Assurance**

We are offering metallic door handles, lock and key, knobs, catches, sliding door rollers, Glass sliding system set with extremely quality products at reasonable rates. We have a policy of checking the products before delivering them to the customers. We also understand the requirements of the customers and prevent any kind of issues related to the closing of the door. Our products are highly usable in the real estate industry. We also ensure to guarantee that our products are of top quality. Our products are available in various sizes and metals. We plan to provide complete clients' fulfilment against our products.

## **Warehousing and Packaging**

We create value for the customers by offering them quality products throughout the country. We are offering these products in the best packaging materials to ensure that customers get the products on the stipulated time. Our products are manufactured using quality raw materials procured from verified vendors in the market.
