Spout Pouch

Packaging Bags

Printed Laminated Rolls

Custom Shaped Pouch

Based in Delhi, Mayank Plastics (R) was set up in the year 1987. Under the able leadership of our mentors, we have been able to produce fruitful results in the market as a producer of Packaging Products. We would like to introduce ourselves as a company with an experience of 28 years in manufacturing of all kinds of Flexo & Roto Gravure printed bags and Pouches in LDPE , PP , BOPP, Flexible Laminates, HM, PVC ,Woven & Non-Woven Bags on state-of-the-art machines. We also manufacture ANTI-STATIC & VCI Zip locks.

## INFRASTRUCTURE :

Located in an industrial estate of Delhi, we have a robust infrastructure comprising of production machinery and a warehousing facility. Our modern facilities are powered by superior uninterrupted power suppliers and generators, in order to produce quality Packaging Products and with respect to the set deadline. Our production unit is located in one of the fully developed industrial estates of Delhi. Besides the production unit, we also have facilities for quality testing, product storage and packaging. All our production process is supported by the latest technology based systems that enable maximum efficiency and utmost interdepartmental coordination.

## TEAMWORK :

We are backed by a talented team of professionals to assist us in faster and smooth execution of all organizational operations. We have immense experience of over two decades, due to which we have been able to design all products as per the current trends in the market.
