RMG Mahendraa®

08048004407

Since 2007, we at Mahendraa Industries have garnered our reputation in the field of manufacturing and supplying superior-quality pressure cookers, non-stick cooking utensils, induction-based fry pans, and Mahendraa mixer grinders. Based in Chennai, we have over the years, evolved as a pioneer in smart innovation with various types of cooking ware.

Through our immense dedication and hard work, we could scale great heights in manufacturing and supplying of latest cooking utensils belonging to both normal and non-stick ranges. We have a strong foothold on all our principles like quality and commitment followed by consistency in an endeavour to deliver 100% customer satisfaction.

World-Class Kitchen Cookware

Being one of the best manufacturers and suppliers, we always work towards excelling in both functionality and style, no wonder why we could make our market presence prominent. With our experience spanning more than a decade, we always dream of catering to the identical requirements of our clients and have found our way by providing world-class products to meet the long0due needs of our customers.

Our company began with the strong mission of pushing and expanding the boundaries of cooking tools for every household and business. Ever since we launched, our team has remained focused on manufacturing the most advanced cookware with the highest safety standards.
