

# MR Imperial Carpet

We are a spirited, design-driven family of companies that creates enthusiasm through our timely and timeless lifestyle products and our caring commitment to people and process. To produce high quality but inexpensive Carpet and Rugs to meet customers' needs and requirements by using the latest technologies and human skills together with the Environmental Friendly materials in order to safeguard the natural environment for our future generations.

# About Us

MR Imperial Carpet (MRIC) founded in 2019, we are engaged in manufacturing from 1972, Handmade Carpets and Rugs, offers a happy selection of wool rugs, cotton rugs, and blended rugs in a variety of beautiful weaves. Spirited and well-favored, these rugs are the smart concept for floors pining for personality. We believe that home products should never be so precious that they can't stand up to typical traffic, the occasional or a glob of pet slobber, we craft them of the finest materials which allows them to weather years of loving use, and even regular cleaning or washing! The MR Imperial Carpet (MRIC) offers the range at the most reasonable rates and good designs according to latest trends of the markets with exquisite color combinations.

## Our Vision

We are a spirited, design-driven family of companies that creates enthusiasm through our timely and timeless lifestyle products and our caring commitment to people and process.

## Our Mission

To produce high quality but inexpensive Carpet and Rugs to meet customers' needs and requirements by using the latest technologies and human skills together with the Environmental Friendly materials in order to safeguard the natural environment for our future generations.

## Our Goals

- Our Commitment to Quality - We maintain high quality standards, of MRIC rugs at every step in the rug production chain which begins with the selection of the finest fibers. All MRIC rugs are woven with the highest quality fibers including New Zealand wool, fine Indian wool, European wool, jute, hemp, cotton, and other man-made fibers. MRIC Rugs are made by expert master weavers and craftsmen, using both traditional and latest weaving methods, all MRIC rugs meet quality assurance standards for aesthetics, design integrity, durability, and performance.
- Our Commitment to Customers - We consider our customers an extension of our company family and build a strong relationship through friendly, prompt and knowledgeable service and support.
- Our Commitment to Employees - We support the overall well-being of our employees through professional and personal development and honor the balance between work and home life.
- Our Commitment to Culture - We have a culture of fun and mutual respect. We nurture a lively and dynamic environment where people are encouraged to be creative, collaborative and responsible and feel upbeat, optimistic and engaged.
- Our Commitment to Continuous Improvement - We evaluate our processes, measure our results and utilize feedback in order to implement more efficient and effective ways of doing business.

## Our Values

- We celebrate creativity, innovation and initiative.
- We respect the individuality of our employees and value their unique contributions to our team.
- We balance hard work with optimism and humor.
- Each member of our team accepts responsibility for their choices and actions.
- We are clear, honest, compassionate and fair in all our interactions.
- We work with professionalism and enthusiasm.
