About Us

Karan Telecom, located in Mumbai (Maharashtra), is a reputed company that is operating business conscientiously for more than 15 years. We are involved in supplying HHP LaserJet A3 Multifunction Printer, HP LaserJet A4 Mono MFP Printer, Xerox A3 Color Multifunction Printer, Epson A4 All in One Ink Tank Printer, Epson EcoTank A3 Printer, Epson Photo Printer, Canon A4 Multifunction Laser Printer, Canon Scanner, Desktop Computer etc. Apart from these aforementioned products, we provide toner cartridge refilling services, printer repair and maintenance to our clients.

We are associated with many certified manufacturers/vendors in the industry from where we procure our product range. The associated vendors provide us with the best quality products and support us in maintaining our supply chain. All of our activities including product procurement, material handling, packaging, marketing & distribution of products are taken care of by our zealous staff. We make sure that the offered toner cartridge refilling services are rendered by professionals only. With a modern infrastructure, a

trustworthy vendor base, and a diligent team, we can meet our customers' demands efficiently.

Our main objective is to become the most preferred organizations to deal with in major markets in India. With a responsive approach, a unique marketing strategy, ethical business practices, and a reasonable pricing structure, we are thriving in this industry.

Under the expert management of Mr. Rajnikant Rathod, we are attaining the set business targets. It is his vast industry experience and good connections with leading vendors/manufacturers across the market that enabled us to cater to the varied product requirements of our clients in a proper manner.
